NARRATIVE

This survey was performed at the request of Robert West for the purpose of marking the corners of Lots 24 and 25, Campbell Estates Subdivision, Phase One. The subdivision was created in 1982 and the plat was used to determine the configuration of the lots. The east boundary line of the lots was shown on the plat as being the line that connects the closing corner at the Northeast Corner of Section 12 with the West Quarter Corner of Section 7. The West line of the lots is shown to be parallel with that connecting line. The monument at the Northeast Corner of Section 12 is a closing corner with the section line being defined by the corners set for Section 7.
